The background of the poster features a futuristic space station interior. At the top, a large window offers a view of Earth from space, showing clouds and continents. Below the window, a rugged, rocky landscape stretches across the horizon under a dark sky filled with stars. The foreground is dominated by a complex array of glowing blue and white circuit boards and control panels, typical of a high-tech spacecraft's interior.

The background of the poster features a dense, futuristic cityscape composed of numerous skyscrapers with complex, angular designs. The buildings are primarily rendered in shades of dark blue, black, and grey, with occasional bright yellow and orange highlights from windows or structural elements. In the lower center, a lone figure wearing a red shirt and dark pants stands on a small, elevated platform or bridge, looking upwards towards the towering structures. The overall atmosphere is one of a vast, sprawling urban environment.
